ParticipaciónDeLaComunidad

¡Únase a sus vecinos y grupos comunitarios locales para aprender sobre la calidad del aire!

Se llevará a cabo una reunión comunitaria en **Groundwork Elizabeth's MicroFarm**, detrás de la biblioteca de Elmora (740 West Grand Street) El sábado 18 de Febrero a las 11 de la mañana. A proponer un plan de acción para el cambio de las condiciones ambientales.

Trabajemos juntos para crear un plan para mejorar la calidad del aire local.

*La nube de palabras de arriba incluye comentarios de la reunión anterior*

Confirme su asistencia usando el link o envíe un correo electrónico a Sarah Sosa, coordinadora de Clima Seguro.

Learn about our continuing work on air quality through an EPA EJ grant.

**Groundwork Elizabeth** will be discussing ways to improve our air quality with fuel alternatives like biofuels.

Let's work together to talk about climate related issues!

\*\*\*In addition, get familiar with Community Solar and our work in Reducing Flooding\*\*\*
